MOL Pakistan has always believed in the key role that women play in the success of any organization. Not only do women outshine their colleagues in office work, but here at MOL Pakistan they also prove their mettle as brilliant engineers on the field. And so it is to appreciate the contribution of women towards MOL Pakistan that we dedicate the 8th of March to acknowledge the dedication and hard work that women show towards their work.

A WOMAN who walks in PURPOSE doesn't have to chase PEOPLE or OPPORTUNITIES. Her LIGHT causes PEOPLE and OPPORTUNITIES to PURSUE her.
