Christmas brings with it a lot of good things like spending time with family and friends, enjoying delicious holiday meals, and sporting cheerful holiday attire! It is one of the most popular festivals celebrated throughout the year, around the world.

Traditionally, MOL Pakistan celebrates the Christmas Season by beautifying the office with bright, colourful lights and a joyous Christmas Tree - decorated with shiny ornaments. This year too, MOL Pakistan honoured its diverse culture by celebrating Christmas with great happiness and enthusiasm. Previously, all MOL Pakistan staff were invited to participate in "The Christmas Sweater Day" held on the 14th of December, 2018 by the CORA Communications & External Relations Department.

Commending the cultural significance of the day, Mr. Ali Murtaza Abbas, MOL Group's Regional Vice President Middle East, Africa & Pakistan, hosted a special Christmas cake-cutting ceremony and invited all the staff to attend the joyous gathering. Everyone present in the office attended the ceremony and MOL Pakistan's Christian colleagues were invited to express their thoughts and feelings for this beautiful occasion.
