Celebrating Health, Safety & Environment

A ceremony was held at MOL Pakistan’s Central Processing Facility on June 26, 2020 to distribute the HSE incentive items to MOL Pakistan staff. The tokens of appreciation were presented to the staff to acknowledge the field team’s hard work on delivering exemplary performance towards effective controls in the implementation of COVID-19 pandemic preventive measures.

Group E&P Online Townhall

The monthly Group E&P Online Townhall was held on June 30, 2020. Based on the results of the survey following the previous Townhall, the E&P community portrayed a keen interest in the division’s business outlook till the end of the year and beyond, which was, hence, the key topic of this Group E&P Online Townhall.

Although this time around, the townhall was prepared with a slightly different concept as compared to the previous two Townhalls. A panel discussion was arranged, which was attended by several E&P leaders from across the globe in order to discuss the current operations within their divisions and to discuss the plan for the remaining six months of the year 2020. All employees were provided with the opportunity to post their questions before and during the event via the Sli.do platform.

Dr. Berislav Gaso, Group E&P EVP, addressed all queries in light of the current situation and its impact on the E&P sector. He provided extensive insight on the recent changes in the oil and gas industry, including the effects of the COVID - 19 pandemic over the last several months and talked about the current situation in MOL Group, specifically within the E&P Division.

Moreover, Dr. Gaso explained the rationale behind the economic measures taken by the company in response to the crisis. He stated that “While MOL Group continues to observe the external circumstances in the coming months, the focus will be on continuing business operations.”

MOL Pakistan Townhall

MOL Pakistan’s top management organized its second virtual townhall on June 8, 2020. The meeting was attended by around 165 staff members from across the country. Dr. Gabor Vakarcs – MOL Pakistan MD/CEO, Mr. Ali Murtaza Abbas – MOL Group Regional Vice President MEA & P, Mr. Andras Madi – MOL Pakistan DMD/CFO and Mr. Ahmad Nawaz – MOL Pakistan COO, led the townhall meeting with the aim to address matters of importance for the company. After the updates, a Q&A session was held where attendees asked questions regarding potential investment prospects in terms of acquiring new blocks; clarity was requested regarding provision of annual leaves in light of the extensive working hours at the field and discussions on reducing the rotation days at the field from 35/35 to 21/21 in order to normalize work-life balance. The questions were appreciated by the management and were addressed and offered clarity upon.
