While community elders and leaders thanked MOL Pakistan and appreciated the company for its support of people with disabilities, a social welfare cause in severe shortage of resources and facilities in the area.

Unprecedented Times, Unprecedented Unity: Messages from Our Colleagues

As the whole world is faced with the crisis that is COVID-19, every one of us has been affected in some way or another. In spite of the unprecedented situation that we find ourselves in with the COVID-19 pandemic and the devastating effect it has on all countries around the world, MOL Pakistan has undertaken intensive preventive precautionary measures in protecting its most important asset, its people. The health, safety, and well-being of you and your families is MOL Pakistan's top most priority.

MOL Pakistan has responded to the crisis in a resoundingly effective way, the end result would also be to come out of the crisis equally strong. Although the economic crisis will outlive the pandemic, let us continue to support each other in prioritizing our health and wellbeing, understanding changes and adapting in the best way possible to the new circumstances. Together we will get through this difficult time as one team, one nation!

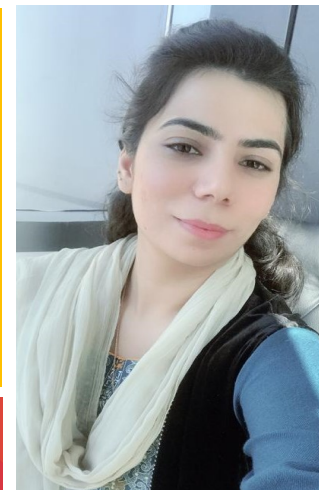

“As one team, we have faced these challenging times head on with sheer reliance and will continue to do so in the days ahead. We are proud of our company's efforts to prioritize people as our most valuable asset and we work hard to improve the lives of people living in our areas of operations while delivering outstanding business results.”

Mr. Kamyab Khattak
Deputy Production Foreman (Telecom), Production Department

“Working with MOL Pakistan has been a rewarding experience both personally and professionally as we build the sustainability of the nation, one community at a time. With our social welfare projects and CSR initiatives, we are directly impacting our beneficiaries for the better. I look forward to continuing these efforts to promote sustainable development and improve the social welfare of our communities.”
